

SANGARE

DISCOVER

Sangare...

Some places you see. Sangare sees you.

- Nestled in the heart of picturesque Kenya: Located adjacent to Aberdare National Park and treated to sweeping views of Mount Kenya, Sangare Gardens offers a serene escape from the hustle of city life.
- Just 3 hours from Nairobi and only 6 km from the Nyeri-Nyahururu highway — easily accessible yet deeply tranquil.
- A family-owned, boutique farm stay experience: Rustic charm meets modern comfort. Authentic hospitality in a setting that feels like home and the scenic views of the Aberdare and Mt Kenya and guests get to enjoy rest, adventure or farm tour at our sustainable farm running a circular economy.

*Wake up to views views everywhere.
Experience a luxurious farm stay.*

Choose from a charming two-bedroom farmhouse with a fireplace, cosy guest rooms, or romantic 2-guest chalets, each with private verandahs and wake up to the crisp mountain air and the sight of Mt Kenya rising from the horizon.

*A crunch crunch here or a yum yum there.
Fresh food beyond compare.*

Enjoy meals crafted from organic garden-fresh ingredients and organic meats and eggs, watch how goats and cow milk are transformed into butter, ghee, fermented milk, yoghurt and cheese, and buy organic produce right at the farm gate.

*A toast toast here or a game game there.
Meet mingle enjoy the air.*

FARM
FULL OF FUN

Our beautiful grounds are the perfect canvas for your next gathering! Whether you're planning a bespoke corporate retreat, a meaningful family reunion, or a fun getaway with friends, we provide a peaceful setting that inspires connection.

Enjoy our dedicated conference room and a relaxing lounge, both offering a stunning, front-row view of Mt. Kenya. From focused strategy sessions to sunset socialising, we help you create an event that feels both professional and personal.

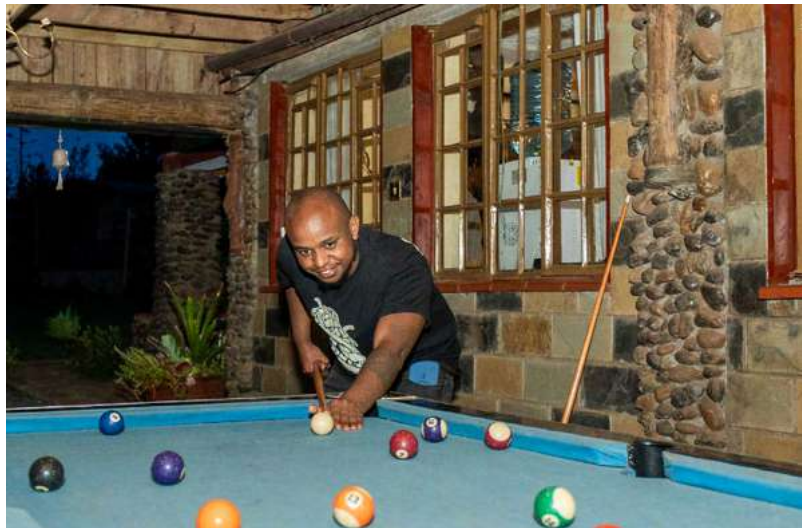

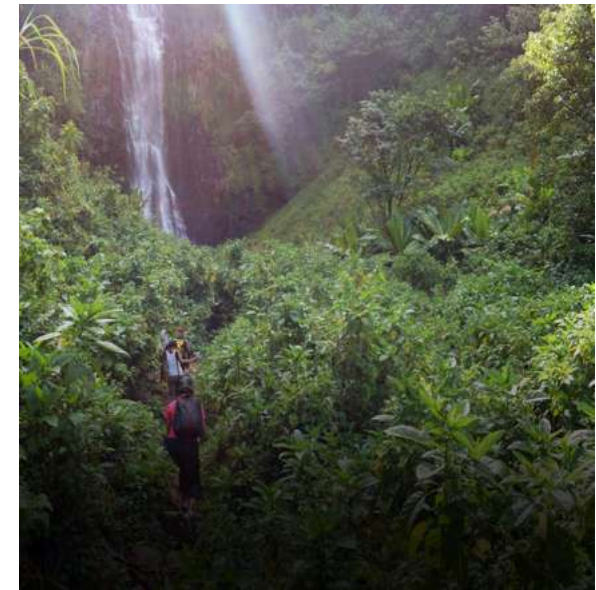

*A giggle giggle here or a cuddle cuddle there.
Family fun is everywhere.*

Whether you're a couple, a family, or a group looking to bond, our farm is your peaceful sanctuary. From immersive wellness weekends to spontaneous farm fun, we curate the perfect experience just for you:

- 3-day wellness retreats:** Come eat, rest and recharge.
- Hike River Honi:** Take a scenic river trek or discover the breathtaking Zania Falls.
- History & Heritage:** Visit the nearby Kimathi Monument for a touch of local culture.
- Mountain Magic:** Lace up your boots and hike the Aberdare.

*A dig dig here or a pluck pluck there.
Lots of organic goodness to share.*

Experience farm-fresh living your way! Savor a delicious meal right here on the farm or purchase your favourites at exclusive farm-gate prices to take home. Living in the city? Join our Nairobi-wide delivery network and let us bring the best of the garden straight to your doorstep.

*A moo moo here or a quack quack there.
Come learn and explore everywhere.*

At Sangare Gardens, nothing goes to waste! We've created a beautiful, natural loop where everything works together. Our chickens and fish feed on nutrient-rich Azolla and Black Soldier Fly (BSF) larvae, while our rabbits help create organic foliar fertilizer for our crops. It's a flourishing ecosystem that ensures every hand-picked fruit and farm-fresh egg is a chemical-free taste of the future.

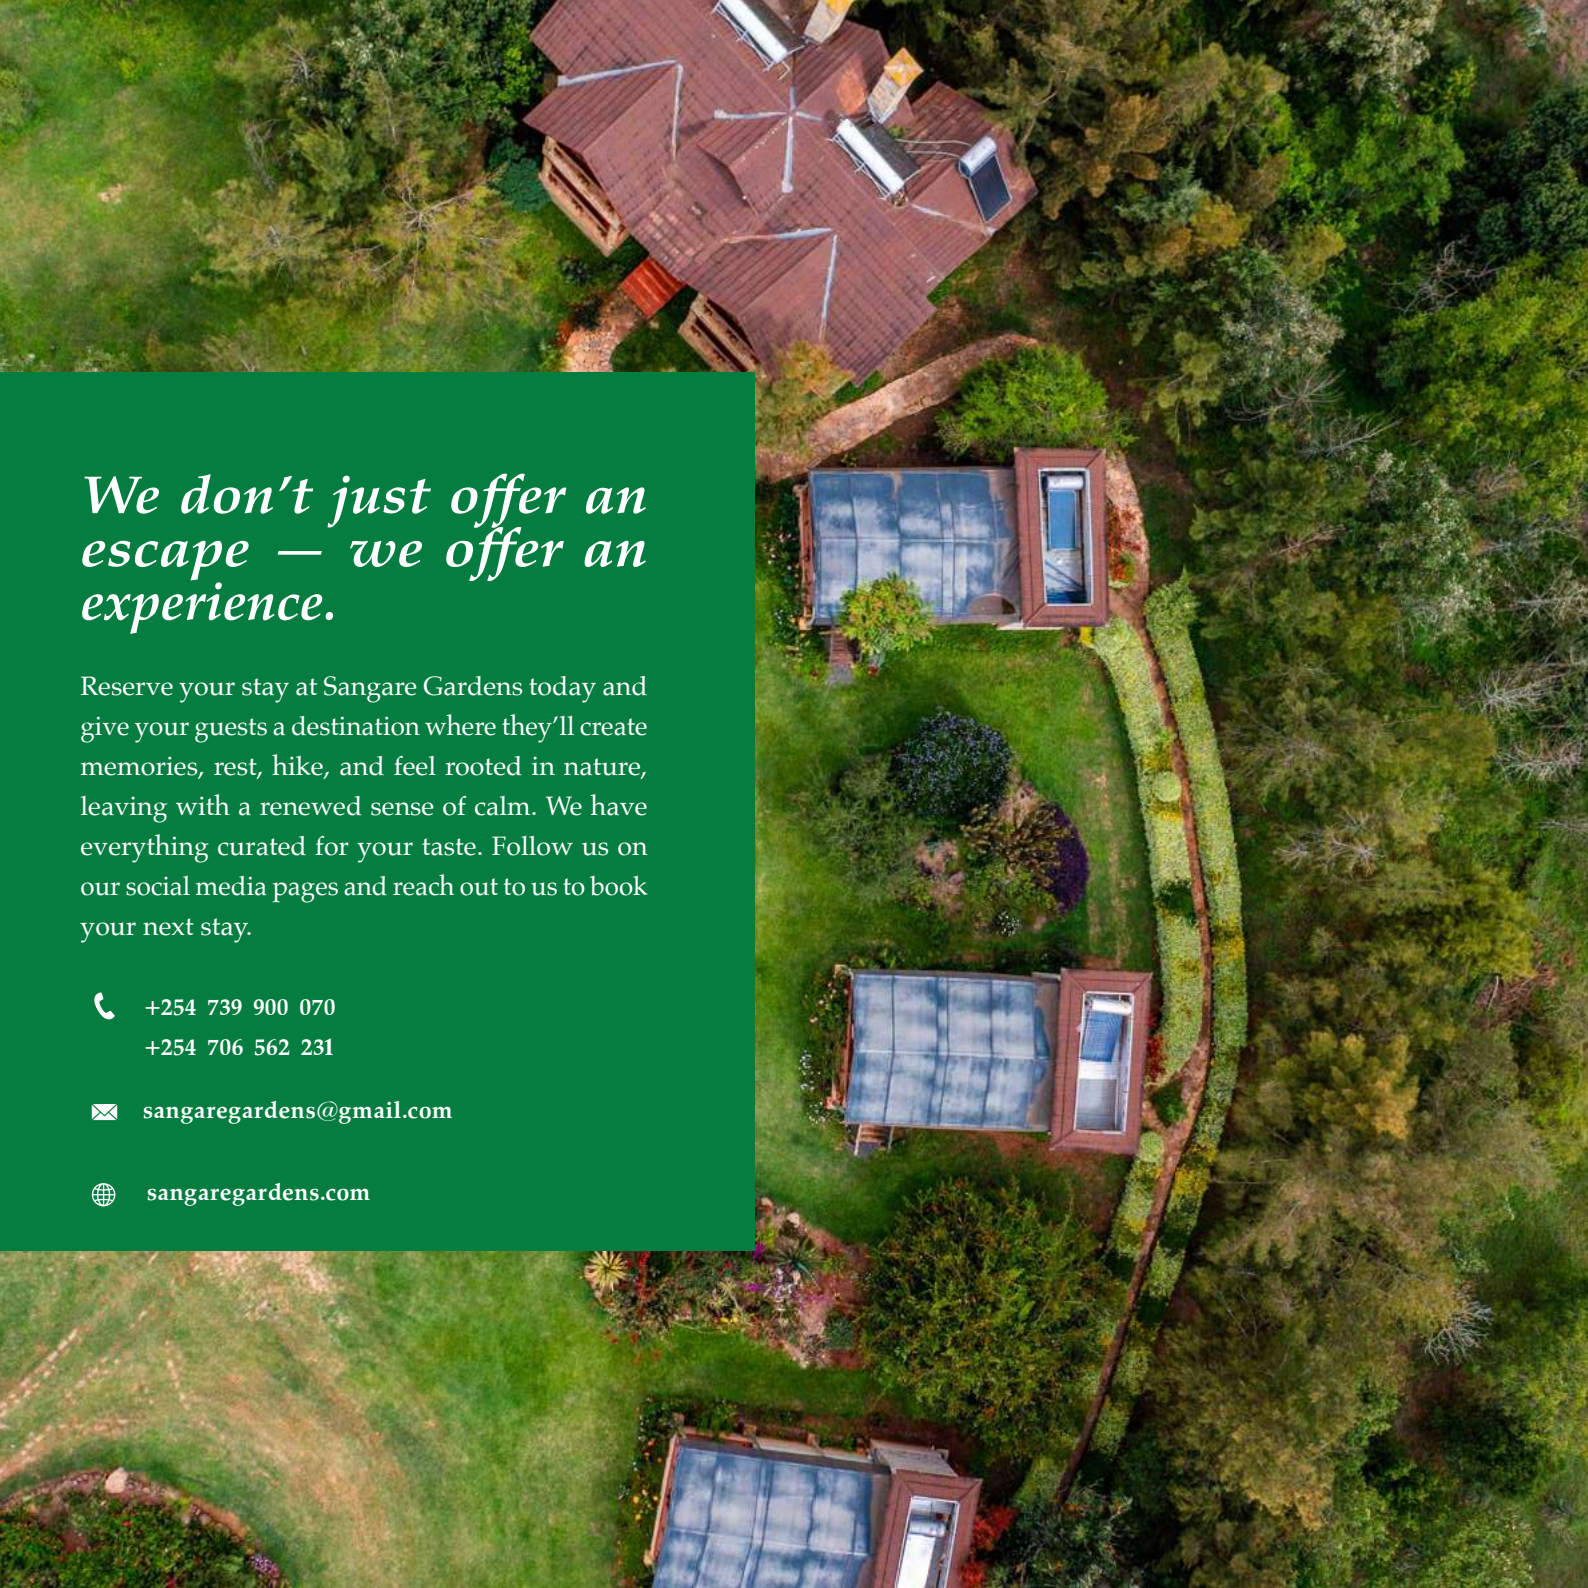

*A snap snap here or a hike hike there.
Family fun is everywhere.*

Sangare Gardens is tucked away in a vibrant corner of the Aberdares, surrounded by fantastic neighbours! You can easily organize your own excursions at these nearby gems:

- **Outdoor Fun:** Saddle up for Horse Riding, try your hand at Fencing next door to Sangare Gardens, or enjoy a round of Golf in nearby Nyeri.
- **Wildlife Wonders:** Enjoy a game drive or visit the Sangare conservancy right next door or further on Solio ranch.

An aerial photograph of Sangare Gardens resort. The image shows several buildings with brown roofs and blue-tinted glass walls, situated in a lush, green, hilly landscape. A winding path or driveway is visible, cutting through the greenery. The buildings are arranged in a line, with a large central building and several smaller ones. The surrounding area is densely forested with various types of trees, including tall, thin trees and shorter, bushier ones. The overall scene is peaceful and scenic, highlighting the resort's integration with nature.

We don't just offer an escape — we offer an experience.

Reserve your stay at Sangare Gardens today and give your guests a destination where they'll create memories, rest, hike, and feel rooted in nature, leaving with a renewed sense of calm. We have everything curated for your taste. Follow us on our social media pages and reach out to us to book your next stay.
